**PAINSTAKING DEVOTION** to detail is evident in each immaculate made-to-order Delcor sofa, hand-made in Britain by master craftsmen using traditional techniques. The talented Delcor designers create sofas and chairs with an unflinching sense of classical design history and contemporary flair. These are masterpieces crafted for discerning individuals, not the masses.

**THERE HAS BEEN** an elegant yet subtle makeover taking place at the luxury British country house hotel, **Chewton Glen**. Award-winning interior designer Anita Rosario has rejuvenated the principal suites and spa with her delicate touch. Charming neutrals and silky textures coupled with a mix of old and new create relaxing comfortable rooms such as the Captain Marryat suite. The principal suite in the hotel, the room epitomizes gracious country living and would make the former occupant and owner of the hotel Sea Captain Marryat extremely proud.
